Experience Summary

This internship with CollegeTips.in was like a rollercoaster, fast, fun, and full of loops!

From video tasks to building real web apps, every task pushed me to learn, create, and grow.

The vibe was always chill yet impactful. Deadlines? Scary. Results? Worth it. Being recognized as a

DIAMOND intern made it even more rewarding.

Feedback & Suggestions

This internship was fun, energetic, and very hands-on. The daily humor and quirky task briefs kept me

motivated.

Sometimes tasks came close together, so maybe spacing them out would help others too.

Big thanks to Team CollegeTips.in ! you folks made it a memorable journey. And yes, I'll miss this A LOT!

Ending Note

Tussi na jao yaar... This internship was a vibe, a boost, and a memory I'll hold onto.

Signing off with a smile and a bit of 'Moye Moye'...
